

Haddon Perch Bench 1000mm Galvanised, Galvanised & Colour or Stainless

The AUTOPA Open Spaces Haddon Perch Bench is a strong all-steel construction. It enhances pedestrian zones such as commuter stops and market places.

Convenient seating area - users simply lean against the seat. Ideal for a momentary rest, for use in busy town and city centres, with waiting or bus shelters, or walkways and canopies alike.

The Haddon Perch Bench is available in both galvanised mild steel and grade 304 stainless steel. All galvanised products can be coated in any BS or RAL colour (codes must be specified at time of order).

Available bolt down only.
