HEAVY DUTY ACCESSIBILITY RAMPS IN USE (TOP)

Checkers' Linebacker Cable Management offers the most extensive line of high performance cable/hose protection products in the world. These durable cable protection systems provide a safer method of passage for pedestrian traffic, vehicles and heavy duty equipment while protecting valuable electrical cables, cords and hose lines from damage.

To fit the needs of a wide variety of applications, we offer lidded models, drop over models, open top models, and low profile models constructed from all-weather polyurethane. We also offer rubber duct models for light applications.

- **World's largest cable protector manufacturer**
- **Linebacker cable management systems are manufactured in the USA in Broomfield, CO**
- **We offer extensive accessories, such as ADA/DDA compliant access ramps, protector bridges, 45 & 90 turns and end caps**
- **Polyurethane construction is lighter and more durable than rubber imitations in extreme weather conditions**
- **Universal safety colors alerting all type of traffic to the product's presence**
- **Satisfies state and federal regulatory agencies**
- **Customized solutions, including logos molded into the product**
- **Multiple channel options so each cable and hose can have its own dedicated channel**
- **Non-conductive material insulates and protects cords/cable, as well as people**

**GUARD DOG SERIES 5-CHANNEL ADA CABLE PROTECTOR** has built-in ADA accessibility ramps to provide a safer crossing for vehicle and pedestrian traffic while protecting valuable electrical cables and hose lines. Because the ramps are built-in, there is no need for separate connectors. Another unique feature of this product is that it interconnects directly to a 5-channel standard ramp Guard Dog cable protector. This modular interlocking design is available in lightweight 18" sections and it includes a recessed carrying handle on the underside of the protector.

**Material:** UV Stabilized Polyurethane

- Protects cables and hoses up to 1.325" outside dia.
- ADA/DDA accessibility ramps built in
- Interconnects directly to a Standard Ramp 5-Channel Guard Dog Series Cable Protector
- Dog Bone Connectors to extend to any desired length
- Reinforced hinged lid for easy cable placement
- Features a load capacity of 21,000 lb./Axle (9,526 kg)
- Available with an orange or black lid and a blue or black base

MODEL: GD5X125-ADA
