

# HIGH VISIBILITY ORANGE ROPE - 50M REEL

## PRODUCT INFORMATION

### SUMMARY

A high visibility orange rope with integral reflective threads allowing improved visibility in dark conditions.

### FEATURES & BENEFITS

- Bright orange, high visibility rope colour, with reflective strands woven throughout the length.
- Each pack comes in a single 50m length on a reel, shrink wrapped for compact shipping / storage.

### COMMON APPLICATIONS\*

- Marking boundaries.
- Setting out areas in, or off limits.
- Other general purpose marking applications where high visibility or custom lengths without cutting is required.

\*The suitability of this product for a particular application must be assessed based on the site, conditions and intended use.
