

## MULTI-PURPOSE MIRRORS DRIVEWAY MIRRORS

VIALUX® offers a convex mirror especially created to ensure driveway and car park safety where the driver's field of vision is obstructed.

### POLYMER OPTICS

Unbreakable, high quality, clear and sharp image, with no distortion. Anti-UV treated frames and optics to ensure longevity and protection against the elements.

### P.A.S. OPTICS

Unbreakable, high quality, clear and sharp image, with no distortion with an anti-static, plus anti-scratch coating. A warranty of 5 years.

### 2 DIRECTIONS

To be used in multiple situations with convexity offering a 90° angle of vision regardless of the environment in which the multipurpose mirror is used.
