

# armorgard instagate™

An expandable barrier for crowd/traffic control in any location

InstaGate™ is a quick-to-deploy barrier that's robust and easy to extend to full length. Constructed from strong lightweight aluminium, this durable barrier can be wheeled into position, expanded and braked single-handedly. InstaGate™ forms a highly visible red and white barrier for enhanced safety in any situation, indoors or out.

InstaGate™ is available in two heights (4 ft and 6 ft).
