

Leyton Shelter – Open Ends Galvanised Steel Frame Open Sided

138 204 030 – 2x3m Leyton shelter

The Leyton shelter is a free-standing, open sided shelter designed for on site assembly, constructed from galvanised mild steel. Complete with a 4mm UV stabilised PETG clear sheet curved roof / back, with open ends.

Suitable as a **cycle shelter**. Width of 2m, with lengths from 1-5m, extension bays can be added to achieve the desired shelter length. Bolt down as standard.
