

- For Indoor use
- High quality steel
- Strong effective protection
- Protect portable machinery and plant
- Highly visible yellow/black markings
- Quickly and easily installed

**BLACK BULL**  
**Protection Guards**  
 – Removable

Use **BLACK BULL** Removable Protection Guards wherever access is required from time to time to plant and machinery. These guards eliminate time consuming operations in removing permanently fixed Protection Guards

**Specifications:**  
 76mm Ø x 3mm Wall  
 Base Plate: 160 x 140 x 15mm  
 (Drilled 4 fixing holes)

The **BLACK BULL** Removable Protection Guards are easily installed by means of the anchor plates which are secured to the floor with anchor bolts (4 per plate & available at extra cost), position the legs of the guard into the holes in the plates, slide the flanges under the lip and secure with screws provided. Cover plates are provided to reduce the ingress of dirt etc.

**Finish:**  
 Indoor use: Powder coated yellow with black bands.

Dimensions (mm) H x W	Delivery weight (kg/ea.)	Reference	Typical despatch time (working days)
