

BZ1501-WHT / BZ1501-NAV

Long Sleeved Thermal Top

A close-fitting, long sleeve thermal base layer designed for sub-zero conditions. Made from a durable polyester blend with VILOFT® for outstanding warmth and moisture wicking. Features flat seams for comfort and contrast stitching for a sporty finish. Ideal under outerwear in freezing environments.

KEY FEATURES

- Close fitting thermal top
- Designed to be worn under outerwear to provide warmth and comfort in freezing cold temperatures
- Soft durable polyester blended with VILOFT®, offering exceptional thermal and wicking performance
- Light blue contrast sewing thread for a sporty look
- Flat seams for extra comfort
