

BZ1524

Hijab

Modest workwear designed in collaboration with Severn Trent engineer Aminah Shafiq. This full-coverage hijab provides warmth and comfort in cold conditions, featuring an elongated back and structured seams with flat-locked stitching. Made from a soft, durable polyester-VILOFT[®] blend for excellent thermal and moisture-wicking performance. No pin or cap needed, with matching thread for a clean, professional finish.

KEY FEATURES

- Full coverage for your head and neck with elongated back
- Soft durable polyester blended with VILOFT[®] offers exceptional thermal and wicking performance
- Flat locked stitching for extra comfort on structured seams
- Colour matching sewing thread
- No pin or cap needed
