

# Clearpath Walkway

- Made up of the *Oxford Strongwall* or *Strong-Fence* and the *Clearpath Safewalk*, the Clearpath Walkway is to act as a clear direction for pedestrians
- It is a product that shows you are vigilant about safety
- Easy and fast to install
- High visibility, flexible moulded mats
- Can also be used as a zebra crossing on a construction site or other places of work used by pedestrians

Comprised of:

- 0628 Oxford Strongwall
- 0633 Oxford Strong-Fence
- 0329 Clearpath Safewalk
