

DataSheet

The trusted go-to brand for fire extinguishers in the UK, Commander offers a comprehensive range of fire extinguishers. Now PFAS free across the entire range, time has proven the Commander range of fire extinguishers as a dependable choice for almost any situation – with reliable performance guaranteed.

WATER FIRE EXTINGUISHERS

A popular choice for Class A fires (combustible materials), Commander Water Fire Extinguishers work by cooling the fuel and ensuring it burns at a much slower pace until the fire is extinguished. With a low-cost price, ease of maintenance, and PFAS free contents, it's easy to see why water fire extinguishers are a preferred choice for many businesses.

The 3ltr Commander Water features a PFAS free additive, boasting a 13A fire rating.
