

Data Sheet

Market-leading Commander® has something new to offer – CommanderEDGE. BS EN3 Kitemark approved across the range, this range has become the choice of the professional, with a reassuring mixture of performance, quality and value. The range includes Water, Foam, CO₂ and Powder models and offers solutions for almost all situations. The internationally-recognised BS Kitemark is assurance of dependable design and manufacture.

POWDER FIRE EXTINGUISHERS

ABC Powder is a multi-purpose extinguishing medium with excellent knock-down properties. The range of sizes includes the 1 and 2kg models that come complete with transport brackets and are ideal for transport applications. The 6kg and 9kg models have plastic protection bases which incorporate a hose stowage socket. The 9kg model boasts an outstanding 55A 233B fire rating. All CommanderEDGE extinguishers are guaranteed for 5 years.
