

Cresco 1

Code: CR001

For Summer and Winter

Spread quickly and easily with our light weight, handheld spreader.

PRODUCT DESCRIPTION:

Handheld spreaders are sold in volume throughout the summer and winter markets. They are especially useful in the winter to offer quick and easy spreading of fine salt or ice melts to office entrances and other doorways. In the summer they are ideal for grass seed and fertilizer spreading on small areas. The Cresco 1 is a strong unit with an ergonomic handle and an inbuilt armrest. The hopper can be used to scoop directly out of a salt or fertilizer bag.
