DURABEL
Stainless Steel Mirrors

The **DURABEL** Stainless Steel mirror is a robust and economical traffic observation mirror, suitable for both Indoor and Outdoor applications. The highly polished mirror surface ensures that a clear image quality is maintained even under conditions of extreme heat, alkaline and chemical environments.

The mirror is supplied complete with bracket to suit 76mm Ø post.

This mirror is highly suitable for use in regulating traffic, manufacturing processes, warehouses, logistics depots, blind corners, bottlenecks, crossings etc.

We also supply mirror posts – see page 22 for details.
