35

Weight - Kg:
468

Ean:

20L Multi Zorb White Granules

Super White Multi Zorb is a loose granular industrial absorbent comprising large light-grey coloured granules.

It has the following benefits:

- Good absorbent performance.
- Leaves surfaces safe, clean and dry and open for traffic after the absorption of the spills.
- Does not decompose after absorption.
- Resistant to abrasion when it is subjected to mechanical stress.
- Very little emission of dust.
- Good performance with most liquids (except acids).
- Lightweight product to transport and in its use.
