

Code:
SOS8/15

Description:
80L Elcef Fibre Absorbent

Absorbency / Capacity:
N/A

Dimensions:
80 litres

Application:
General Purpose

Quantity:
15

Weight - Kg:
330

Ean:

80L Elcef Fibre Absorbent

Elcef Fibre Absorbent is a natural, non-toxic, non-chemical, biodegradable, lightweight fibre. Suitable for absorbing chemicals and oil based liquids on land and on water.

It has the following benefits:

- Good absorbent performance.
- Leaves surfaces safe, clean and dry and open for traffic after the absorption of the spills.
- Does not decompose after absorption.
- Resistant to abrasion when it is subjected to mechanical stress.
- Very little emission of dust.
- Good performance with most liquids (except acids).

Lightweight and hygienic: Easy to handle and retrieve

Acts Instantly: Fast absorption speed reduces clean-up time.

Non-abrasive and non-leaching: Non-abrasive to machinery, enabling areas to be cleaned that could not be tackled before. Elcef Fibre absorbs so completely that no oily residue is left, making your working area safer and eliminating slipping accidents.

Environmentally friendly: Elcef Fibre Absorbent is derived from the naturally recurring waste products of the plantation industries. It is a non-toxic, biodegradable organic product to which nothing has been added. Safe for you to use and kind to the environment.

Elcef Fibre - Biodegradable Oil Selective Absorbent

Excellent vapour suppressant: Quickly suppresses hydrocarbon vapours, restoring a safe working environment.

Safe to use: Elcef Fibre Absorbent is non-toxic in its unused state. Consult Local Authorities for safety procedures involving hazardous materials. Use dust mask and/or protective clothing if necessary.

Storage: Store in dry conditions. Unlimited shelf-life.

- Lightweight product to transport and in its use.
