2 Double Weight General Purpose Absorbent Rolls 48cm x 39m - Poly Pack

Twinpack Double weight General Purpose absorbent roll. For use on all non-hazardous workshop liquids. Strong wicking action for easy clean-up of everyday spills and leaks and tough, hard-wearing finish make these rolls ideal for use in industrial applications. Central perforation for easy tearing and maximum economy.

General Purpose

- Coolant
- Antifreeze
- Oil
- Water
- Weak chemicals
- Solvents
