

Code:
DT-OFS

Description:
DrainProTector

Absorbency / Capacity:
N/A

Dimensions:
75 x 60cm

Application:
Drain Protection

Quantity:
1

Weight - Kg:
N/A

Ean:
0640516610852

DrainProTector for collecting/ trapping Oil, Fuel, silt, sand, gravel and other solids

Features and Benefits:

- The number one solution to prevent pollution and drain blockages
- Ideal for building sites, wheel wash stations, construction site access points, civil engineering and motorway projects
- Avoid the time and cost of fines and unblocking drains
- Fast and effective pollution solution
- Reduces downtime on site
- Oil & Sediment version retains up to 1.5L of hydrocarbon sheen
- Supplied with tape specifically designed for use on tarmac & rough surfaces, for fixing edges to ground
- Retains up to 22kg of sediment
- Unique support straps ensure stability while in use
- Water discharged to EA-accepted levels
- Easy to empty and reuse
- Can be emptied in situ
- Instructions printed on the top
- Install in 3 minutes
- Four options to choose from
