Empty spillpod® Mobi 2 Complete with roll holder

- Mobile Dispensing Unit for multiple applications (grit/salt, sand, absorbents, fertiliser, gardening, coal/logs, etc.)
- Fully recyclable, chemical resistant, UV-stabilised PE
- Suitable for indoor and outdoor use/storage
- Compact & space saving design with robust rubber wheels and slanted lid for water run-off
- Capacity of 75 litres - saves continuous refilling from a stationary unit
- Ergonomic handle for ease of use - outside handles to push and inside handle to pull the cart
- Lid can be secured in vertical position for convenient dispensing/loading
- Clever balance point for easy manoeuvring; will fit through pedestrian doorways
- Easy to clean & stackable for economic transportation
- Good impact resistance to -40°C
