Evo Recycled® Wiping Cloths - Towelling Coloured

Evo Recycled® Textiles, laundered and converted into wiping cloths, cutting down on landfill and incineration, Reducing your environmental impact. 10kg pack for maximum value and economy. Towelling Coloured. Highly absorbent, very soft, toweling wipers, Ideal for general wiping, cleaning and dealing with excess liquid. EVO spill products provide a unique solution for companies pursuing higher ethical and environmental standards without compromising performance and value. Each product in the range is manufactured from recycled or sustainable material. All EVO products are manufactured in Britain with a far smaller carbon footprint than the vast majority of Spill Control products produced overseas. EVO poly-wrap & box packaging recyclable.
