Hose Nose Bag complete with oil cushion

Hose Nose Bag - The revolutionary new product from Fentex.

Be prepared for repairs anywhere with Hose Nose Bag.

Developed specifically for hose repair and maintenance on site, no mess and no fuss allowing you to get on with the job. The efficient and cost-effective way to avoid mess and ground contamination during hose maintenance. Hose nose bag features a hard-wearing material with double sealed edges for leak proof performance, ensuring your liquids are contained during repair or maintenance. Hose Nose bag contains an oil absorbent cushion to effectively absorb leaking liquids. When the internal absorbents have reached their capacity, they can be replaced to restore your Hose Nose Bag to maximum efficiency. Each Hose Nose features a drawstring opening to secure around the hose during work, minimising the risk of ground contamination, protecting the environment.
