5

Weight - Kg:
5

Ean:
0700175913678

Box of Five Large SpillTectors® Complete

Be protected from spills with SpillTector®. Traps oil & fuel leaks, lets water flow away. Designed for use under plant and machinery SpillTector® oil mat traps and absorbs oil and fuel leaks for cleaner and safer job sites.

BUILT FOR ENVIRONMENTAL PROTECTION.

With its unique absorbent multi-layer design, SpillTector® traps contaminants while allowing clean rainwater to flow away, providing an effective outdoor solution.

By preventing leaks from seeping into the ground, SpillTector® helps avoid ground contamination and protects soil and waterways.

SpillTector® combines performance with eco-conscious design, supporting cleaner, greener work environments.

The SpillTector® unique design features an Evo Recycled® fibre core, maximising absorbent capacity

Manufactured in Britain with four sizes available

USES

- Ideal as a generator tray
- Place under mobile plant, generators and machinery during work or repair
- Containment of oil and fuel leaks
- Reduces environmental contamination
- Under mobile bowzers and tower lights
- Garden machinery servicing and refuelling
