spillpod® General Purpose Quick-rip Roll, 31cm x 30m - Dispenser Box

spillpod® General Purpose absorbent roll in convenient dispenser box. Perforated bi-laterally for easy tearing and maximum economy. Can be used to quickly deploy continuous lengths of absorbent material or divided into individual sheets.

- dimple bonded for extra strength
- fine-fibre finish for durability and better grip on painted floors
- fast absorbent action
- safe for use on all non-hazardous workshop liquids: oil, coolant, solvent, cleaning solution
- handy size for bench top use
- ideal for maintenance engineers
