

NEW

- ✓ **COST EFFECTIVE**
- ✓ **EXCELLENT RETURN ON INVESTMENT**
- ✓ **HIGH STRENGTH BARRIER DESIGN**

NAVIGATOR® PLUS

The Navigator® Plus is a injection moulded Polypropylene barrier that has been developed for attended and unattended street work. This is a cost effective solution to ensure safety by segregating hazards and areas that could potentially cause a danger.

NAVIGATOR® 
ROAD SAFETY BARRIER

GO GREEN & REFRESH

We are committed to reducing waste therefore we work closely with recycling partners to ensure the lifecycle of materials. This enables us to reduce our carbon footprint.

100% RECYCLABLE

NAVIGATOR® PLUS FEATURES

✓ STORAGE & DISTRIBUTION

- An effective stacking solution designed to maximise stability and storage for 40 units per pallet.

✓ STACKING FEATURE

- Stacking feature enables each barrier to lock together to ensure safe storage and transportation.
