REFLECTIVE  
FEATURE

# SMARTER ROAD SAFETY

## REFLECTIVE MK™5 'NO WAITING' CONE

The new Mk™5 'No Waiting' cone offers an effective way to prevent road users from parking and obstructing others on the road. The new reflective feature allows maximum visibility in low light making this one of the most practical 'No Waiting' cones available on the market.

- ✓ Fully conforms to road regulations with 200mm roundel
- ✓ 100% recycled PVC base
- ✓ Blow moulded polyethylene cone
- ✓ 200 per pallet

These cones have been modified and are now supplied with reflective stickers so are visible in both day and night. These cones are great, they are very bright and can't be missed."
