

LFE971 / LFE972

# Combat Trousers

Built for movement and durability, these trousers feature a stretchy 91% recycled polyester blend with RUDOLF BIONIC-FINISH® ECO fluorine-free DWR. Reinforced with recycled 600D CORDURA® re/cor™ at key wear points, and finished with segmented reflective tape, elastic waistband adjuster, and a utility D-ring.

## KEY FEATURES

- Main fabric made from a stretchy 91% recycled polyester, 9% Spandex blend
- Heat applied segmented reflective tape
- bluesign® approved BIONIC-FINISH® ECO patented fluorine-free DWR technology from RUDOLF
- 100% recycled 600D CORDURA re/cor™ for tough knee, hem and pocket protection
- Utility D-ring
- Elastic adjustment on the inner waistband
- 100% recycled polyester sewing thread used throughout
