Main material/upper material

70% polyester/30% cotton

215 g/m²

- Light and strong fabric with ripstop. Ripstop is a super durable weave that helps fabric to last for a very long time.
- The product is a combination of regular fabric and stretch fabric, with the stretch fabric placed where extra freedom of movement is required.
- Add your favourite holster pockets using the Click Pocket System.
- The product tolerates industrial washing.

Technical info

Fluorescent and with reflective tape. Stretch fabric on parts of the product. Combination of the lightweight fabric quality 236 and ULTIMATE STRETCH in fabric quality 511. Prepared for holster pockets with Click Pocket System. Double stitched seams on the leg and crotch. Hidden stud fastening. Belt loops. D-ring. Fly with zip. Front pockets. Back pockets with reinforcement. Hidden tool strap on right side. Reinforced ruler pocket. Thigh pockets with flaps. Thigh pocket with phone pocket and flap with hidden press studs.

User
