DESCRIPTION:

The P5-MULTI355 is a 36 teeth multi-purpose TCT saw blade for use on low revving chop saws, to cut materials such as mild steel, plastic, wood and nail embedded wood.

FEATURES:

- Multi-purpose
- Fast cutting
- Consistent depth of cut

MACHINE SUITABILITY:

EVORAGE 2 saws and other low revving chop saws.

USER TIPS:

- Always ensure that the blade is suitable for your machine type. Using a blade designed for another machine type could be unsafe
- Do not exceed the discs 2000rpm maximum speed
- Make certain that the blade is suitable for the material being cut
- Do not force the cut. Let the blade and machine do the work.

PART NO. DIMENSIONS

GT11103 355 x 2.4 x 2.0 x 25.4mm x 36 teeth

PACKAGING DETAILS:

White corrugated cardboard box.
