

Technical Datasheet

H 500 Hard Hat Visor

Experience comprehensive head and face protection with the H500 Hard Hat Visor. Built for professionals who demand versatility and comfort in challenging environments, the H500 offers a front flip visor, the option to upgrade to a welding flip visor, and a lightweight design for effortless wear.

- **Hard Hat:** Provides reliable head protection that meets safety standards.
- **Front Flip Visor:** Offers quick and easy access to your face while maintaining safety.
- **Welding Flip Visor Upgrade:** Enhanced protection for welding tasks without sacrificing convenience.
- **Lightweight:** Minimises neck strain and fatigue for extended wear.
- **Wide Vision:** Maintains a broad field of view for improved awareness.
- **Comfort Head Harness:** Ensures a secure and comfortable fit throughout the day.
- **Wheel Ratchet Adjustable Head Harness:** Allows for quick, precise sizing adjustments.
- **Sweat Band Included:** Keeps you dry and comfortable in high-heat or extended-use situations.
