

# Usage guidelines

- 1 Remove cap from Skipper™ unit by twisting the top cap anti-clockwise.
- 2 Once the cap has been removed, screw the base of the plastic frame into the new cap (with hole in it). Tighten up with a Phillips head screwdriver.

- 3 Insert A4 signage (not supplied) into flexiglass holder.
- 4 Slide the flexiglass holder into the frame.
- 5 Position the cap (with frame) onto the Skipper™ unit and twist clockwise until the cap lines up with the unit.
