

HAZE TELLUS

ART. SG80123

The immensely popular Solid Gear Haze has now been developed to fit a woman foot in a new way. Solid Gear has designed a new last for this purpose solely. Furthermore, a unique sustainable Bloom EVA midsole takes comfort to the next level for an athletic safety shoe. The StarKnit upper without seams gives the Haze Tellus fantastic breathability, also an excellent combination with the BOA® Fit System for fit and flexibility. Haze Tellus uses the specially developed high rebound OrthoLite® insole mainly made of recycled materials.
