

ION HIGH

ART. SG73103

Ion High is a fully charged safety boot for work in cold climates. Open-cell PU foam insole and PU midsole give stability and comfort while the oil- and slip-resistant outsole provides great grip. LWG-certified leather upper with a recycled moisture-transporting lining and synthetic fur makes for extra warmth and durability in cold weather. YKK™ zipper makes for ease of stepping in and out. Fiberglass toe cap, soft nail protection, and ESD function according to EN IEC 61340-5-1:2016.
