

## PRIME GTX LOW

ART. SG80011

Solid Gear's most popular sole of all times is now available with lightweight full EPTU in the middle part. Suitable for the user who prioritize top comfort and stability, can now also enjoy the top performing EPTU which lasts over time. The rubber outsole from Vibram® is still very durable with good anti-slip properties. The torsional rigidity of the shoe comes from the dual TPU shanks and adds to the ergonomic. The durable microfiber upper with GORE-TEX® membrane ensures waterproofness, while maintaining good breathability. The newly designed snug fit ergonomic tongue with GORE-TEX® Stretch Technology in the upper, together with a high heel counter and BOA® Fit System, makes this shoe truly unique when it comes to fit for the user. ESD function according to EN IEC 61340-4-3:2018.
