

REVOLUTION 2 MONO LOW

ART. SG76015

Make work run faster from start to finish. Equipped with an ultra-responsive ETPU midsole, grippy rubber outsole, and OrthoLite® Hybrid insole this shoe is all about comfort and performance. Featuring a CORDURA re/cor™ ripstop upper, redesigned tongue, and the all-new recycled heel counter it turns the revolution up yet another notch. To top it off it has a NANO toe cap, a BOA® Fit System, and a clean monochrome colorway with a splash of that signature Solid Gear orange. ESD function according to EN IEC 61340-5-1:2016.
