

REVOLUTION 2

ART. SG76009

Revolution 2 integrates the complete ETPU technology. The more energy you give, the more you get back. The shoe provides cushioning and comfort for endless hours of walking while reducing pressure. The lightweight CORDURA® and the stretch material provides an amazing feeling in terms of fitting and cushioning. By the end of the day you will have a completely different feeling in your feet and body, compared to using traditional safety shoes. To provide optimal protection without sacrificing comfort and sustainability, Revolution 2 uses the specially developed high rebound OrthoLite® insole mainly made of recycled materials. Revolution 2 will be the gamechanger in terms of cushioning and lightweight, while not only focus on safety when concentrating technologies in the product. ESD function according to EN IEC 61340-4-3:2018.
