

## TALUS GTX HIGH

ART. SG61010

Talus GTX High is a discreet highcut boot, but still stacked with a number of high performance features. An athletic feeling thanks to a high cushioning poured PU midsole together with great grip from the pattern and compound on the rubber outsole. The upper is designed with durable leather from LWG combined with lightweight microfiber. Membrane and winter lining from GORE-TEX® ensures high breathability and insulation while preventing water from getting inside the boot. Speed lacing for stepping in and out the boot quickly. For the user who prefers traditional lacing and even more discreteness, the speed lacing can be switched with the complimentary black laces. Fiberglass toe cap and soft nail protection. ESD function according to EN IEC 61340-4-3:2018.
