

Aquasorb Super

Aquasorb Super is a highly functional indoor entrance mat suitable to withstand the heaviest of foot traffic due to its indestructible rubber base. The specially designed moulded bubble surface with raised edge can hold up to six litres of water per square metre, plus provides excellent dirt removal and retention. Aquasorb Super has also been treated with an anti-microbial carpet treatment that helps to stop bacteria and germs at the door.

Features

- Typical applications: A heavy duty mat, ideal for placement inside entrances in schools, universities, public buildings, hotels, shops, sports facilities, restaurants and offices. Due to the anti-microbial benefits, the mat is also suitable for medical including clean areas.
- Material: Polyester bonded to a tough synthetic rubber base.
- Cleaning: Wash with cold water, use a vacuum cleaner, or a pressure pump to remove dirt. The use of harsh detergents is not recommended.
- Sustainability: Nature friendly, biodegradable and recyclable. REACH and RoHS compliant. Contributes to a cleaner environment by reducing the need to use cleaning chemicals.
- Warranty: Lifetime.
