Women's Shell Jacket

A lightweight jacket tailored specifically for women, offering top tier breathability and waterproofing ratings. This highly recyclable garment has 80% recycled polyester outer fabric and a bluesign® C0 Durable Water Repellent (DWR) treatment.

KEY FEATURES

- Mono-material for increased recyclability
- 2-layer fabric with non-porous hydrophilic membrane
- 80% recycled polyester outer fabric
- bluesign® C0 DWR treatment
- 20,000mm hydrostatic head rating for protection in heavy rain
- 21,000gm2 breathability rating helps manage perspiration during intense activity
- RET (water vapour resistance) is 6.16 and 8.3 in combination with the liner, far exceeding EN343 class 4 (<15)
- Taped seams throughout
- Helmet compatible, removable hood with 3-point shock cord adjustment and curved, stiff peak
- Waterproof, two-way centre front zip
- Internal storm flap with chin guard
- Tactile, easy to locate zip pulls
- Brushed collar lining for comfort
- Hook and loop adjustable, scalloped cuffs
- Curved bottom hem with shock cord for rear coverage

FABRICS
