

Safety Scrape

Safety Scrape is an excellent anti-slip resistant mat designed to effectively remove swarf, dirt and grime from shoes and boots. The mat is 100% nitrile rubber, which provides resistance to oil, grease and chemicals making it perfect for engineering workshops, kitchens, production areas as well as external entrances. The gripper backing ensures the mat remains firm underfoot and doesn't move on wet or slippery surfaces.

Safety Scrape is available in a range of sizes with an overall thickness of 5mm.

Features

- ◆ **Typical applications:** Ideal for workshop entrances, engineering workshops, kitchens, production areas, welding areas as well as external entrances.
- ◆ **Material:** 100% nitrile rubber.
- ◆ **Cleaning:** The lightweight design ensures easy handling and cleaning. Simply shake to remove dirt, or hose down.
- ◆ **Sustainability:** REACH compliant. Contributes to a clearer environment by reducing the need to use cleaning chemicals.
- ◆ **Warranty:** Lifetime.

Suitable for indoor and outdoor use

Safety Scrape

Technical Specification

Slip resistant:	Excellent slip resistance to level 3
Anti-fatigue:	Good anti-fatigue properties, resistant to level 1
Wear resistant:	Excellent wear resistant to level 3, suitable for heavy footfall
Water absorbent:	Great water absorbency to level 2
Crush resistant:	Great crush resistance to level 2
Soil resistant:	Great resistance to soiling and stains to level 2
Chemical resistant:	Yes
Disability friendly:	Yes, the low profile makes it suitable for wheelchair users
Dry area:	Yes
Wet area:	Yes
Oily and greasy area:	Yes
Heavy area:	Yes
Welding area:	Yes
Wheeled area:	Yes
Environment:	Suitable for indoor and outdoor use
Product testing:	Certified high-traction by the National Floor Safety Institute (NFSI)
Sustainability:	<ul style="list-style-type: none">◆ REACH (Registration, Evaluation, Authorisation and Restrictions of Chemicals)◆ Contributes to a cleaner environment by reducing the need to use cleaning chemicals
Cleaning:	The lightweight design ensures easy handling and cleaning. Simply shake to remove dirt, or hose down.
