Solar Powered LED Site Bulkhead Lamp

PRODUCT INFORMATION

SUMMARY

This solar-powered lamp has an ultra-tough polycarbonate lens and a heavy-gauge aluminium back plate. All controls for the lamp are contained behind the lens, ensuring that controls cannot be altered without the specialist security tool for the lens-retaining tools, making this a great vandal-resistant product for remote deployment.

DIMENSIONS

Dimensions	**Length**	280mm
	Width	83mm
	Height	102mm
