COLLECTION

The Duranite range of gloves are designed for all day durability with excellent dexterity designed to reduce hand fatigue with it's knitted liner and palm coating, The combination of the yarns and fine coating used give the wearer all day breathability and comfort.

ABOUT THIS PRODUCT

Designed for maximum comfort and minimal hand fatigue, these gloves feature a seamless liner and ergonomic design. The 15-gauge knitted liner ensures an excellent fit and high tactile sensitivity. Dipped micro foam nitrile coatings, compatible with light oils, provide a good grip, excellent abrasion resistance, and breathability. The knit wrist prevents dirt and debris from entering the glove, and the touchscreen capabilities allow use with screen devices.

MATERIALS

Nylon/Spandex 15 gauge liner
Nitrile Micro Foam Coating.

STORAGE

Keep in cool dry place away from direct sunlight.
